Dear Marthinus,

Re. Consultation for the draft EIR of the proposed N2 Wild Coast Toll Highway

I was glad to see you at the launch of Harald Winkler's book last week. Now you are, I imagine, shivering in Poznan! I am now writing as Chair of Sustaining the Wild Coast (SWC) to keep you informed of our request to NMA regarding the consultation process.

We imagine that our request needs to be responded to and put into effect by NMA. We attach a copy of our letter for your information and your action if necessary. Our request is, we believe, part of our need to develop participatory democracy.

We send our very good wishes and prayers for the important work you have to undertake, not least the climate change negotiations on Poznan.

Yours sincerely,

The Right Reverend Geoffrey F Davies  
Chair, Sustaining the Wild Coast
